It was brilliant to welcome everyone back to school last week. It is always fantastic to see everyone catching up and getting right back into everything that happens at St. Cuthbert's every week- and there is always a lot happening! We have another very busy half-term ahead of us and we have added a few key dates at the end of this newsletter. We have more dates to add and if anything changes we will give you as much advance notice as possible.

Congratulations to Year 5 who have won our Attendance of the Week Stars

trophy a score of 99.7% We will be sending an attendance information letter to all families next week to remind everyone of our legal duties as schools and families and

what we can do to help if your child's attendance isn't where we all want it to be. We audit attendance every half term and will send a second letter to all families if your child's attendance is below 90%- a level which is classified as a persistent absence. Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. There is information about the impact of attendance and punctuality on your child's education available on our school website, you can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	96.3
Year 1	86.6
Year 2 🍌	87.9
Year 3	93.1
Year 4	92.3
Year 5	99.7
Year 6	89.5
Whole school	92.3

We would like to invite everyone to join us for our Remembrance Liturgy in the school hall at 10.15am tomorrow, Monday 11<sup>th</sup> November. After our short liturgy we will walk to the North Shields War Memorial on Hawkey's Lane to join our community in reflection at 11am.

Children In Need is this Friday 15<sup>th</sup> November and we are inviting all children to come to school wearing something bright and/ or spotty. Please do not buy anything especially from the day, every year lots of children decorate an old T-shirt or shirt by drawing or painting spots on it- do not go to any extra cost. We will have donation buckets on the school gates at the start and end of each day and we welcome any donations you make.

Thank you to everyone who came along to our Parents' Evening at school last Monday. The partnerships between families and school are a big strength at St. Cuthbert's and you can contact school staff at any time through the school year by following the guidance near the end of this newsletter. Meeting face-to-face with your child's teacher is also very important and we strongly value your support as we work together to provide the best experiences, support, challenge and education for your child. Together it is our job to make sure they are ready to learn and that they enjoy it and that it helps prepare them for the next stage in their education and lives. If you were unable to meet with your child's teacher please get in touch to arrange a time and date that suits you both.

Our children, staff and families all know that compassion is at the core of what we do and who we are as a school and community. Compassion is a quality we talk about and learn about, it is a quality that we know we must always work at developing and it is a characteristic that our children celebrate every day and every week at school. As a school and community we do a lot to support each other in many different ways. Our uniform rack, our free clubs at school, support for our local community and support for our global community are all brilliant examples of the support we give. We have begun our journey towards being recognised as a School of Sanctuary and as part of our work we are revisiting the special and poignant book, *My Name Is Not Refugee* with classes across school. Revisiting any learning is a very important and effective way of making that learning real and shows us that everyone understands fully what they have learned. As we approach the Advent Season we remember that just like the Holy Family of Mary, Joseph and Jesus, many families around the world are forced to leave their homes for many different reasons. During Advent we are called to welcome the Holy Family into our community and our hearts and we strive to do this for are children and families. We will work together to make sure that St. Cuthbert's is the place for anyone who is in need, a welcoming place of sanctuary.

We'll have to say goodbye to old friends.  
You can pack your own bag, but remember,  
only take what you can carry.

What would you take?

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

# COMPASSION MATTERS

We send out all our letters and forms to families through ParentMail and last week a number of forms were sent out that we need you to complete and return as soon as possible please. The data form with your contact details, medical information and any other information we need is very important. You can change any of the information on it at any time, including details of named contacts, who can drop children off and pick them up from school and medical information. We use Twitter to share what is happening at school, our account is locked so you need to request access to follow us. If you want to follow our Twitter account our name is stcuthbertsns, if you don't get permission to follow

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 let us know and we'll get you on. We use Tapestry to share more detailed information about what your child is doing at school. Tapestry is fantastic at keeping you up to date with everything and we love it when you press the 'like' button on Tapestry and Twitter- it shows us that you are getting to see what is happening and it also shows everyone at school that you appreciate what they are doing. If you have any trouble accessing any of these apps please let us know, they are important and great ways to keep up to date with everything going on at our very exciting and busy school.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

Thank you to everyone who has made sure your child has a normal-sized bottle for their water, it does make managing space in our classrooms much more straightforward. Can we also ask that you make sure your child only brings what they need for each day to school and that they use a book bag for their books. We are starting to see a lot of large school bags coming to school and we don't have space for them. We have a small amount of space around school and big bags and coats are making it increasingly difficult for other children to hang up their coats and to keep corridors tidy and safe.

Every week we publish a poster with information and advice on keeping children safe online. The posters we use come from the National Online Safety organisation and we use their resources at school when teaching our E-Safety lessons for all children. These lessons follow similar themes as the posters we share with you and the lessons at school are all taught at a level appropriate to the children. Our children know how to stay safe both online and offline and they know we have systems such as Smoothwall at school which help keep everyone safe.

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

**Welcome to CEOP Education**

Education from the National Crime Agency

The National Crime Agency's CEOP Education team aim to help protect children and young people from online child sexual abuse.

We do this through our education programme, providing training, resources and information to professionals working with children, young people and their families.

I am:

A professional working with children and young people	A parent or carer
4-7 years old	8-10 years old
	11-18 years old

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our [keepingintouch@stcuthbertsrprimary.co.uk](mailto:keepingintouch@stcuthbertsrprimary.co.uk) email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email [keepingintouch@stcuthbertsrprimary.co.uk](mailto:keepingintouch@stcuthbertsrprimary.co.uk). You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing [keepingintouch@stcuthberts.email](mailto:keepingintouch@stcuthberts.email) or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Thank you for your amazing continued support, stay safe and God bless,

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](http://nationalcollege.com).

## 10 Top Tips for Parents and Educators ENCOURAGING CHILDREN TO CHOOSE RESPECT

Sometimes, differences between children can escalate into bullying, potentially impacting their mental health in a way that can persist into adulthood. While it's natural to disagree sometimes, teaching children the importance of respect is essential – especially in difficult situations. This guide provides strategies for encouraging considerate behaviour, even during a dispute, to foster a kinder, more inclusive environment for everyone.

### 1 LEAD BY EXAMPLE

As adults, we play a crucial role in modelling respectful behaviour for children: they observe and learn from our actions every day. Be mindful of the way you interact with others in front of children. Keep in mind that you should always approach others with an attitude of mutual respect, even if you disagree with them. Demonstrating this behaviour can influence young people and help them to handle their own conflicts in a healthy way.

### 2 AGREE TO DISAGREE

Make sure children know that it's fine to have differing opinions – and that disagreeing with someone doesn't mean you can't get along or respect each other's point of view. Help them understand that sometimes we can 'agree to disagree'. Using active listening skills when doing this can also help to build empathy and understanding of others.

### 3 PROMOTE ACTIVE LISTENING

Teach children about the importance of active listening: that is, making a genuine effort to listen to the other person's perspective without interrupting, before responding in a way that shows you understand their viewpoint, even (or perhaps especially) if you disagree with it. This makes people feel respected and allows for a better comprehension of their point of view, which in turn can make it easier for you to communicate your own opinions to them.

### 4 ENCOURAGE THE USE OF "I" STATEMENTS

If a child finds themselves in a disagreement with someone, it can be useful to encourage them to use "I" statements during the discussion. Framing their thoughts and feelings using statements like "I feel ..." or "I think ..." can help them avoid an accusatory tone and encourages them to take responsibility for their own emotions.

### 5 FOCUS ON BEHAVIOUR, NOT CHARACTER

When disagreements happen, encourage children to focus on critiquing and addressing the specific actions or behaviours that caused this upset, rather than attacking the person's character. For example, "I didn't like how you interrupted me" is better than "You're so rude". This can help children avoid hurting someone's feelings, which is likely to inflame the situation.

### 6 STAY CALM AND TAKE BREAKS

It's perfectly normal to feel upset during a disagreement – especially if it's getting heated. Remind children that if they feel overwhelmed, they should try to take deep breaths or even go for a short break to help them stay composed. If a conversation becomes too intense, remind them it's OK to suggest continuing it later or in a different setting. This can prevent things getting out of hand, allowing cooler heads to prevail.

### 7 START CONVERSATIONS ABOUT RESPECT

Talk openly to children about what respect means – to you and to them. Discuss how they might show respect to each other, to friends, to strangers and even to people we might disagree with. You could use examples of considerate or inconsiderate behaviour in books, films or TV to open discussions about the importance of giving others due regard.

### 8 SEEK COMMON GROUND

When a disagreement has occurred between children, they may find it hard to move past it. You can support them in finding a more positive way forward by helping identify areas of agreement or common ground with the other party. This can help to build bridges between differing opinions and foster a more cooperative atmosphere, as well as preventing those involved from demonising each another.

### 9 AVOID MAKING THINGS PERSONAL

It's important that we make it clear to children they must avoid name-calling, swearing or derogatory remarks in a disagreement with others. Respectful language sets a positive tone and helps keep the conversation productive. Reminding children to stay calm and take breaks – as mentioned previously – can help them avoid getting too emotional and saying or doing something hurtful.

### 10 REFLECT AND LEARN

After a child has had a disagreement, encourage them to reflect on the experience and think about what they can learn from it. What did they handle well? How might they improve their communication skills to handle conflicts more effectively in the future? You could use role play, writing and drawing pictures, or hypothetical examples to further develop their skills in showing respect during a disagreement.

### Meet Our Expert

The Anti-Bullying Alliance (ABA) co-ordinate Anti-Bullying Week each year. ABA is a unique coalition of organisations and individuals, working together to achieve their vision to stop bullying and create safer environments in which children and young people can live, grow, play and learn. They welcome membership from any organisation or individual that supports this vision and support a free network of thousands of schools and colleges.

Monday	Year 5
Tuesday	Reception Class
Wednesday	KS1 & KS2 Cricket
Thursday	Year 6. Year 2, Year 3
Friday	Year 1 and Year 4

We have a timetable for outdoor learning but classes will take learning outdoors as often as they can throughout the week. Children should wear old clothes on their outdoor learning day, PE kit on PE day and school uniform on all other days. If an outdoor learning day is the same as a PE or cricket day then children should wear PE kit that is suitable for outdoors and whatever weather we are forecast to have.
