Everyone is very settled at school and we are welcoming more new children across classes over the next few weeks. This newsletter has lots of information about clubs, what's been happening at St. Cuthbert's and what will be happening this term.

Congratulations to Year 3 who have won our first Attendance of the Week Stars trophy for the second week in a row with a perfect score of 100%! Can we remind all families that we ask you to contact school when your child is absent from school for any reason at all. There is information about the impact of attendance and punctuality on your child's education available on our school website, you can find it on the [Attendance and Term Dates](#) page.

We would love everyone to join us for our first whole school activity morning of the new school year this Tuesday 17th September at school. Families are invited to join classes and take part in fun activities with your children and our school staff. Our activity mornings are always very popular and they are a great way to see your child's new classroom and meet school staff. The activity morning runs until 10.30am and Year 3 will not be swimming on Tuesday and will be part of the activity morning with everyone else.

Our school clubs begin again next week and there is something on offer for everyone at St. Cuthbert's. We do not charge for any of our clubs as we believe that all children have the right to be part of our clubs. All clubs are run by our school staff and they give up their own time to give all our children brilliant opportunities to take part in so many activities before and after school every week. You can find more information about the clubs on offer further on in this newsletter.

All classes have been given dates for their class Mass with Fr. Chris and the St. Cuthbert's parish this term. Masses will be celebrated on Wednesday mornings and we would love you to join us for our first whole school Mass of the school year on Wednesday 25th September at 9.30am. You are welcome to walk to church with us, leaving school at 9.10am or you can meet us at St. Cuthbert's Church.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 We send out all our letters and forms to families through ParentMail and last week a number of forms were sent out that we need you to complete and return as soon as possible please. The data form with your contact details, medical information and any other information we need is very important. You can change any of the information on it at any time, including details of named contacts, who can drop children off and pick them up from school and medical information. We use Twitter to share what is happening at school, our account is locked so you need to request access to follow us. If you want to follow our Twitter account our name is stcuthbertsns, if you don't get permission to follow let us know and we'll get you on. We use Tapestry to share more detailed information about what your child is doing at school. Tapestry is fantastic at keeping you up to date with everything and we love it when you press the 'like' button on Tapestry and Twitter- it shows us that you are getting to see what is happening and it also shows everyone at school that you appreciate what they are doing. If you have any trouble accessing any of these apps please let us know, they are important and great ways to keep up to date with everything going on at our very exciting and busy school.

Thank you once again to everyone who expressed an interest in the role of Parent Governor before the summer holidays. We will be sending out a small information pack next week which will explain the role, what time commitment is involved and how the election process will run. The pack will also contain a form for candidates to complete for the election. We are very privileged to have so many parents interested in being part of our Local Governing Committee.

Every week we publish a poster with information and advice on keeping children safe online. The posters we use come from the National Online Safety organisation and we use their resources at school when teaching our E-Safety lessons for all children. These lessons follow similar themes as the posters we share with you and the lessons at school are all taught at a level appropriate to the children. Our children know how to stay safe both online and offline and they know we have systems such as Smoothwall at school which help keep everyone safe.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Information was sent out last week about clubs for this half term, please make sure you check ParentMail and book whichever clubs your child would like to be part of. All clubs after school begin at 3.30pm finish at 4.30pm and children must be collected from the school car park at 4.30pm. **Please do not park in the school car park after school. Friday 3.30pm	Campfire Club	Year 5 & siblings	Mrs Cottiss & Mr Dillon

Can we also remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or

We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

We already have quite a few events and activities planned for this half-term and we will send you a list of key dates next week once we have confirmed a few details. We will be celebrating our new school year whole school Mass with Fr. Chris and the parish of St. Cuthbert's soon and classes will take turns joining the parish for Mass on Wednesday

10 Top Tips for Parents and Educators PROMOTING PHYSICAL WELLBEING

Physical activity isn't only beneficial for our bodies; it also plays a role in promoting mental wellbeing. With both the Euros and the Olympics this summer, it's an opportunity to engage young people in regular exercise which can reduce stress, improve mood and boost self-esteem. Despite these benefits, many children face barriers to participating in physical activity.

1 MAKE IT FUN

Incorporate activities that children enjoy, such as playing games or dancing. Encourage participation in team sports or group activities to foster social connections and a sense of belonging.

2 MIX MOVEMENT WITH LEARNING

Educational settings can incorporate movement breaks and physical activities to enhance focus, concentration and cognitive function. Embedding exercise into the curriculum can also reinforce learning and stimulate creativity. 'Revision walks' with podcasts and flashcards can benefit older learners.

3 CREATE OPPORTUNITIES

Provide clear chances for physical activity throughout the day, both indoors and outdoors. Schools can encourage active play during breaks and at lunchtimes, while limiting screen time at home can help keep children up and about.

4 PROVIDE POSITIVE REINFORCEMENT

Praise and encourage children for their efforts and achievements in physical activity. Recognise their progress and celebrate their successes to reinforce positive behaviours. Educators could do this in several ways, such as applauding their efforts at assemblies or celebrating their accomplishments in newsletters.

5 VARIETY IS KEY

Introduce a selection of physical activities to keep children engaged and prevent boredom. From swimming and cycling to yoga and martial arts, trying different types of exercise can help children to discover what they enjoy most.

6 ENJOYMENT OVER COMPETITION

Encourage children to focus on the enjoyment of physical activity rather than winning or achieving perfection. Emphasise effort, improvement and having fun rather than outcomes, to minimise the amount of stress that children can sometimes associate with sports and other competitions.

7 SET REALISTIC GOALS

Help children set achievable physical activity targets based on their interests, abilities and preferences. Celebrate their progress and successes to maintain motivation and enthusiasm.

8 MAKE IT ACCESSIBLE

Ensure that children have access to safe, suitable spaces for exercise at home, at school and in the community. Advocate for inclusive environments which accommodate diverse needs and abilities. Be a change maker in your community if facilities aren't already available.

9 LEAD BY EXAMPLE

Parents and carers can be positive role models by prioritising their own exercise and involving children in their fitness routines. Gentle walks, bike rides or sports activities can be wonderful opportunities for bonding and staying active together.

10 ENCOURAGE PERSISTENCE

Help children develop resilience and perseverance by encouraging them to overcome challenges and setbacks in physical activity. Teach them the importance of perseverance and the value of effort in achieving their goals.
