

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Our whole school enjoyed a wonderful final week of the last half term with lots going on both at school and around our region. We have a lot more happening this half term and we will send you out key dates by the end of the coming week. Dates will include information about our Week of Sport, our Year 6 assembly, whole school Mass and dates for families to meet with teachers to review your child's school year.

Congratulations to Year 2 who have won our attendance of the week stars trophy again with a winning score of 98.6% - they will have an extra playtime next week! We work hard with families and partner agencies to make sure every child achieves the best attendance they can. Can we remind all families that we ask you to contact school when your child is absent from school for any reason at all. There is information about the impact of attendance and punctuality on your child's education available on our school website, you can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	95.3
Year 1	95.2
Year 2 🐸	98.6
Year 3	98.0
Year 4	94.0
Year 5	94.5
Year 6	93.1
Whole school	95.6

Thank you everyone for joining us for our very special May Procession at the end of the last half-term. Our May Processions are always fantastically well supported by families and our wider community and this year was the same as we carried our statue of Mary through the streets of North Shields. Thank you for all the flowers you donated and for once again demonstrating how much our faith means to us and how strong our community is.

We had a fantastic turnout for the Whitley Bay Carnival on the first Saturday of the half-term break. Our children and families came along in big numbers and had a brilliant time along the carnival parade in the beautiful sunshine. Thank you to everyone who came along and for all the support from families along the way- it was great to see so many of our younger children supporting our frogs on their march!

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Compassion was clearly in action once again last half-term at St. Cuthbert's and the way our families and community support our children and staff is evidence of a very strong, thoughtful and caring community with compassion at its core. Last half-term our children talked about how questioning decisions taken by local and national government can impact their lives and how compassion must be at the heart of discussions and decision making. They know that we are most likely to thrive when we look after each other and that showing compassion and kindness makes everyone feel better. Next week our whole school will be marking the 80th anniversary of D-Day and the children will be talking about how conflict and war are the times when compassion and kindness are even more important than usual. We know that many of our St. Cuthbert's families have relatives who were directly involved in the D-Day operations and that North Shields has a very rich history of supporting communities across the world in their time of need. As a school and community, St. Cuthbert's has always supported children and families in need and, during the First World War, our school was host to refugee children from Belgium and during the Second World War families and our school community provided support for each other and celebrated the success of D-Day when it happened 80 years ago. To mark the 80th anniversary of D-Day on Thursday 6th June we will be holding a D-Day party on the school playground with all the children. We are asking children to come to school dressed for the party- please do not buy anything new, upcycling old clothes for the day would be brilliant. Children can also bring some food for a picnic on a wrapped plate with their name on it, we will provide them all with drinks. We would also love it if you and your children could build some model Anderson Shelters to display around school and on the playground.

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Our Year 3 and 4 children took part in a day of rugby at the home of Newcastle Falcons at Kingston Park during the last week of the last half-term. The children had a fantastic time and were able to demonstrate all the skills and tricks they have learned over the past few weeks with coaches from The Falcons who have been working with them at school. As always all our children were a credit to St. Cuthbert's and themselves and they also showed that we have a lot of very talented and sporting children at St. Cuthbert's!

We have lots of events and trips planned for the rest of the school year and families have been sent ParentMail messages and forms for some of them. If you have received a ParentMail form can you please make sure you complete and submit it as soon as you possibly can. By responding on time we can make sure our children have the best experiences and everything they need for each trip.

ParentMail

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Can we also remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

Tyne & Wear
citizens

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

<https://www.thinkuknow.co.uk/parents/>

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrcprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrcprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. **We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.**
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

There has been a great deal of interest in our apprenticeships that have been advertised, you can find more information about the admin assistant roles on our school [website](#).

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

<https://www.yourschoollottery.co.uk/lottery/school/st-cuthberts-rc-primary>

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy 2023/24 is on our school website, <https://www.stcuthbertsrcprimary.co.uk/safeguarding> and it outlines our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out.

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 2nd June 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Thank you for your amazing continued support, stay safe and God bless,
Shaun Dillon

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators

ENCOURAGING HEALTHY FRIENDSHIPS

Navigating the complexities of childhood and adolescent friendships can be challenging – but with the right guidance, children and young people can cultivate meaningful, supportive relationships, some of which may last for many years. These top tips provide a comprehensive approach to fostering healthy friendships among children and young people. It's important to remember, however, that each child is different, and will require an individual approach to relationship support.

1 GRANT FRIENDSHIP OPPORTUNITIES

Encouraging children and young people to join extracurricular activities can foster healthy friendships by providing shared interests and common ground. Engaging in these pastimes offers a platform for interaction, sometimes alleviating the social pressure of knowing what to say, and helps children develop meaningful connections.

2 LEAD BY EXAMPLE

The children and young people in our lives see how we behave, the connections that we've made and the interactions between us and others. When we model healthy friendships, we set an example and help youngsters to understand what healthy friendships looks like and how to navigate them.

3 HELP THEM LOVE THEMSELVES

Healthy friendships aren't just about dynamics with other people. They're about our relationship with ourselves. For overall wellbeing, it's important for a child to have the space to build their self-esteem and a positive self-image, as these factors can have a notable influence on the friendships they form throughout life.

4 MONITOR SCREEN TIME

Too much screen time can affect some children's wellbeing in general, but it can specifically impact friendships if it results in fewer positive social interactions. In some cases, reducing screen time and encouraging children and young people to find ways to interact face-to-face can have positive results. It's also important to remember that young people can make positive friendships online, but they will require support to do this safely.

5 TEACH PROBLEM-SOLVING

Inevitably, friendships can run into problems. However, this is also an opportunity to support children and young people to work through any difficulties that may arise. It can be tempting to intervene and try to fix these issues for those involved, but helping them consider ways of resolving conflict or managing difficult situations for themselves can help them create stronger friendships.

6 EMPOWER THE CHILD

When we give children and young people the confidence to choose their friends, navigate interpersonal boundaries and consider how they want to interact with the different people around them, we empower them to take control of the friendships they have. When young people feel in control of these things, they're more likely to make positive choices and remain aware of the signs of a negative relationship.

7 TEACH EMPATHY

'Healthy friendships' doesn't always mean 'perfect'. Sometimes, disagreements can happen. When we teach children and young people to have empathy, we help them to see both sides of a relationship; to be mindful of the challenges a friend might be facing or whatever else might be going on. This can help children and young people to build stronger friendships.

8 BE OPEN TO QUESTIONS

Talking to young people about their friendships, who they spend time with and who they interact with can open the door to questions if they have concerns. Initially, these queries may be straightforward, but if we are receptive to discussion from the outset, young people are more likely to come to us for help when they are older as well.

9 UNDERSTAND BOUNDARIES

One of the keys to a healthy friendship is honouring boundaries. This can include anything from respecting personal space and belonging to acceptable language and behaviour. Understanding the importance of setting these limits and upholding these set by others can help children stay safe. If young people figure out their boundaries and feel comfortable enforcing them, they're more likely to call someone out if they go too far.

10 SPOT THE SIGNS

We can't always supervise young people; sometimes, we need to step back and give them some space. However, it's important to consider any indicators that they may be struggling in their friendships. Are they becoming increasingly irritable? Does their behaviour alter when they've been with their friends? Are they becoming withdrawn or reluctant to take part in certain activities? These could all be signs that they're finding things difficult, and we should remain alert to such changes.

Meet Our Expert

Becky Dawson is an experienced educator who has worked in primary and secondary schools for 20 years. She is a facilitator, consultant and coach working with young people and the adults who work with them, with a focus on developing understanding and skills around mental health, wellbeing and safeguarding.

Do you want to improve your child's health?

Our 10 week programme supports you and your family to make healthy lifestyle changes together.

Interactive sessions are delivered by an expert and friendly team and focus on nutrition and physical activity to give you and your family a real boost.

The team delivers family programmes for two different age groups:

Ages 4-7 years old
Ages 8-14 years old

Register:

Sessions take place once a week, after school

In 10 weeks we cover:

- Simple food swaps to reduce fat and sugar intake
- The right size portions for children and adults
- How to understand food labels and afford healthy options
- Opportunities to add run and play into your daily routine

Eligibility criteria applies, please ask for more details.
